

Power Vision Limited Co.

Company Profile

Who We Are

Power Vision Limited Co. is a leading provider of high-quality alternative solutions for truck and heavy equipment spare parts. We deliver premium filters and components at competitive prices, ensuring reliable performance without compromise.

With over 20 years of industry experience, our expert team is supported by strategic partnerships with top global suppliers—empowering us to respond swiftly to customer demands across sectors.

Our Mission

To provide trusted, high-performance alternative spare parts for trucks and heavy-duty equipment—combining OEM-level quality, cost-effectiveness, and professional service to help clients optimize performance and minimize downtime.

Our Vision

To become the region's most preferred and reliable partner for alternative spare parts—recognized for our innovation, customer-first approach, and sustainable value delivery.

Our Core Values

- Quality: Products that meet or exceed OEM standards.
- Trust: Transparency, honesty, and long-term relationships.
- Efficiency: Fast response times and accurate delivery.
- Expertise: 20+ years of hands-on market experience.
- Global Reach: Sourcing from top international suppliers.
- Customer Focus: We go above and beyond to ensure client satisfaction.

⚙️ Products & Services

We offer a full range of high-quality spare parts and filters including:

- OEM & Replacement Filters (Air, Oil, Fuel, Hydraulic)
- Spare Parts for:
 - Heavy Machinery
 - Heavy-Duty Trucks
 - Industrial Generators
- Technical Consultation & Support
- Reliable Logistics & Rapid Delivery

📈 Why Partner with Power Vision?

- ✓ Deep industry knowledge
- ✓ Competitive pricing structure
- ✓ Global sourcing capabilities
- ✓ Tailored customer support
- ✓ Reliability you can trust

"Your Trusted Source for Filters & Spare Parts"

Mercedes-Benz

Air Filter Element – Technical Specifications

- Part **Type**: Air Filter Element
- Inside **Diameter**: 220 mm
- Outside **Diameter**: 518 mm
- Overall **Height**: 345 mm
- Air **Permeability**: 178 L/m²•s
- Burst **Strength**: 278 Kpa
- Stiffness (**MD**): 5750 mg
- Filtration **Efficiency**: 95% @ 15µm

This heavy-duty air filter element is designed to provide superior protection for engine systems by effectively capturing harmful airborne particles. With high burst strength and excellent stiffness, it ensures long-lasting durability even in demanding environments. The filter media delivers high air permeability and exceptional efficiency, maintaining optimal airflow and engine performance.

Oil Filter – Cartridge Type | Technical Specifications

- **Part Type:** Oil Filter (Cartridge)
- **Outside Diameter:** 117 mm
- **Overall Height:** 265 mm
- **Air Permeability:** 110 L/m²•s
- **Burst Strength (SDC):** 475 Kpa
- **Stiffness (SDC):** 7.7 mN•m
- **Filtration Area:** 0.99 m²
- **Filtration Efficiency:** 95% @ 32μm

This cartridge-type oil filter is engineered to meet the highest quality standards, providing effective protection for engines by capturing fine contaminants and impurities. It offers high filtration efficiency, excellent burst resistance, and durability, making it suitable for heavy-duty and high-performance applications.

Fuel Filter – Cartridge Type | Technical Specifications

- **Part Type:** Fuel Filter (Cartridge)
- **Outside Diameter:** 106 mm
- **Overall Height:** 204 mm
- **Air Permeability:** 26 L/m²•s
- **Burst Strength (SDC):** 548 Kpa
- **Stiffness (SDC):** 13.7 mN•m
- **Filtration Area:** 0.5 m²
- **Filtration Efficiency:** 95% @ 6µm

This cartridge-type fuel filter is designed to effectively capture fine contaminants as small as 6 microns, providing 95% filtration efficiency. It ensures maximum protection for fuel systems, with high resistance to pressure and burst strength, making it ideal for heavy-duty applications requiring consistent performance and long service life.

We proudly supply a comprehensive range of high-quality filters compatible with **Mercedes** and **Volvo** trucks, meeting the highest standards at highly competitive prices.

Thanks to your continued trust and partnership, we are expanding our product line and will soon be able to provide **a wide selection of spare parts** to meet your growing needs supporting your operations with reliable solutions and shared success.

Certificate of Registration

POWER VISION LTD CO.

SAUDI ARABIA, P.O. BOX 8222, JEDDAH 23334

has been assessed and Certified by Ostia Management Pvt. Ltd.
as meeting the requirements of:

ISO 9001:2015

Quality Management System

For the following scope of activities:

GENERAL CONTRACTING GENERAL CONSTRUCTIONS FOR RESIDENTIAL AND NON-RESIDENTIAL
BUILDINGS SUCH AS SCHOOLS, HOTELS, HOSPITALS, GENERAL CONSTRUCTIONS FOR
GOVERNMENT BUILDINGS, ESTABLISHED AND ERECTED ELECTRIC POWER STATIONS
AND TRANSFORMERS ELECTRIC POWER GENERATION REPAIR AND MAINTENANCE
OF ELECTRIC POWER GENERATION STATIONS AND TRANSFORMERS
